

LLB Chile Localization

For Microsoft Dynamics 365 Business Central

LLB Solutions has developed localizations for Microsoft Dynamics 365 Business Central in Chile, ensuring compliance with SII tax requirements, including accounting, fixed assets, inventory, banking, accounts receivable and payable, and project management.

The Chile Localization complements Dynamics 365 Business Central by covering specific tax regulations not included in the standard system.

Its reporting features, both printed and electronic, are available for national and international companies operating in Chile, whether in the public or private sector.

WHAT DOES THE CHILE LOCALIZATION INCLUDE?

- Tax and accounting obligations in accordance with SII regulations.
- Ensures constant updates based on regulatory changes in the country's tax framework.
- Allows access to periodic updates of Microsoft Dynamics 365 Business Central while maintaining the integrity of functionalities.
- Support in functional configuration for the localization.
- Assistance with data migration for the localization.
- Functional, technical, and best practice training in Dynamics 365 Business Central.
- Ongoing support during implementation and go-live.
