

Nicaragua localization

LLB Nicaragua Localization

For Microsoft Dynamics 365 Business Central

LLB Solutions has developed localizations for Microsoft Dynamics 365 Business Central in Nicaragua, ensuring compliance with the tax requirements of the DGI, including accounting, fixed assets, inventory, banking, accounts receivable and payable, and project management.

The Nicaragua Localization complements Dynamics 365 Business Central by covering specific tax regulations not included in the standard system.

Its printed reporting functionalities are available for both national and international companies operating in Nicaragua, across public and private sectors, with the flexibility to export information in compatible formats for analysis and regulatory compliance when required.

WHAT'S INCLUDED IN THE NICARAGUA LOCALIZATION?

- Accounting and tax requirements as mandated by the Dirección General de Ingresos (DGI).
- Guaranteed ongoing updates according to legal changes in the country or new Microsoft versions.
- Support for functional configuration of the localization.
- Support for migration of localization data.
- Functional, technical, and best practices training in Dynamics 365 Business Central.
- Ongoing support during implementation and go-live.
