For Microsoft Dynamics 365 Business Central

LLB Solutions has developed localizations for Microsoft Dynamics 365 Business Central in Costa Rica, ensuring compliance with the tax requirements established by the Ministry of Finance. This includes accounting, fixed assets, inventory, banking, accounts receivable and payable, and project management.

The Costa Rica Localization complements Dynamics 365 Business Central by covering specific tax regulations not included in the standard system.

Its functionalities and reports, both printed and electronic, are available for national and international companies operating in Costa Rica, whether in the public or private sector.
